“Oh my goodness! You are all truly amazing people and what you do is so inspiring. I can't believe everything you did for my children and I, and I wish I could bottle our excitement and send you just a sample. I am still speechless. It is so difficult to find the words to express how grateful we are to have been selected for the Best Christmas Ever!”

CAPTAIN SHARE

“I'm speechless from the drop, it was one of THE MOST impactful moments of my life. Having that mom not let go of my hug and sob will be something I will NEVER forget. God was so present in the entire journey. I am walking around today in a complete fog and get teary eyed very easily, which is not usual! What a gift BCE is to not only the recipient families but for everyone involved. It's a life-changer for ALL! Hugs to you and everyone behind the BCE org for everything you all do. I can't imagine missing out on this extremely direct, God led nudge to be a small part of this org. My life has just multiplied exponentially because of BCE!!”

DONOR SHARE

“After being actively involved in many charitable organizations, I saw a video on Facebook about BCE back in 2015. After a little research and learning the core values of BCE, I knew I had to be involved. It started out as becoming a donor and rapidly escalated into more. I’ve met so many wonderful people with hearts of gold through this organization. BCE has had an overwhelming impact on my life and that of my family and friends who have all been involved in one way or another.”
